**CUS50**

---

**Struttura:** in acciaio ad alta resistenza, verniciata a forno con polveri epossidiche di colore grigio alluminio. Piano letto ortopedico con maglia elettrosaldata e seduta cinghiata. Materasso in poliuretano espanso. Schienale, braccioli e fascia anteriore in legno e derivati, fissati alla struttura con baionette per facilitarne il trasporto e il montaggio. Alloggio porta guanciali nel vano schienali di serie.

**Cuscino seduta:** in poliuretano espanso lavorato con macchina a 3 assi e rivestito con fibra in fiocco termolegante, testato secondo Oeko-Tex Standard 100 di forte spessore. Disponibile con imbottitura in Piumafib, una speciale miscela ipoallergenica di vera piuma e fibra di poliestere siliconata cava.

**Cuscino schienale:** in poliuretano espanso rivestito con fibra in fiocco termolegante, testato secondo Oeko-Tex Standard 100 di forte spessore. Disponibile con imbottitura in Piumafib, una speciale miscela ipoallergenica di vera piuma e fibra di poliestere siliconata cava.

**Rivestimento:** in tessuto completamente sfoderabile o in pelle naturale non sfoderabile. Cuscino Schienale e Cuscino Seduta sfoderabili in entrambe le versioni.

**Piede:** in pressofusione di alluminio h 8 cm.

**Structure:** in high resistance steel, oven-painted with epoxy powders of gray aluminum color. Orthopedic bed top with electro-welded mesh and belted seat. Polyurethane foam mattress. Backrest, armrests and front band in wood and derivatives, fixed to the structure with bayonets for easy transport and assembly. Pillowcase in the standard backrest compartment.

**Seat cushion:** in expanded polyurethane, worked with 3-axis machine and covered with thermo-bonding staple fiber, tested according to Oeko-Tex Standard 100 of strong thickness. Available with padding in Piumafib, a special hypoallergenic mixture of real down and siliconised hollow polyester fiber.

**Back cushion:** in polyurethane foam covered with thermo-bonding staple fiber, tested according to Oeko-Tex Standard 100 of strong thickness. Available with Piumafib padding, a special hypoallergenic blend of real feather and siliconised hollow polyester fiber.

**Cover:** in completely removable fabric or in non-removable natural leather. Back and Seat Cushion with removable covers in both versions.

**Foot:** in die-cast aluminum h 8 cm.
